BRITTANTY CLUB OF GREAT BRITAIN
CHAMPIONSHIP SHOW - JUDGES BIO'S
SATURDAY, 13th JULY 2019

Janette Yarrow (BONAPARTIST)

As a child I grew up with dogs at home and I began showing in 1969 after my parents bought me an Irish Setter. Whilst still at school I started working for a well known Irish and English Setter kennel which carried the Margretwoods and Renmark affixes and was taught all aspects of the show dog.

It was during this time I met my future husband Paul who was then also showing English Setters. We took a step back from the show world whilst raising our family but when rekindling our interest in showing it was the Brittany that had caught our eye. After initial research, viewing from the ringside and visiting kennels we purchased our first Brittany in 1997 and the Bonapartist kennel was founded shortly after.

To date we have owned a total of fourteen Brittanyes that have lived indoors with us. Sadly, some of the oldies are no longer with us but the line continues with our current five month old puppy. I have bred six litters which have produced a number of show champions which I am extremely proud of.

I am so looking forward to this special day and feel honoured to have been elected to judge.

Jean Byrne (ENRYB)

The ENRYB affix was registered in 1979 when I first got involved with Gundogs and began showing Irish Setters which I did with some success.

In 1990 I moved into the HPR breeds with Weimaraners and in 2014 acquired my first Hungarian Wirehaired Vizsla. I currently show and compete in working events with both my Weimaraners and HWVs.

I began my judging career in 1989 and have continued to judge all gundog breeds at Open show level including the group and BIS on numerous occasions. I currently award CCs in seven gundog breeds:- GWP, GSP, Weimaraner, Irish Setter, Hungarian Vizsla, Pointer and HWV. I have bred numerous Weimaraner Show Champions and in addition have trialed two to Full Champion status.

I actively show my dogs all year round, attending most Championship shows and work them on local shoots throughout the shooting season. I am looking forward to judging the stakes at the Brittany breed club Championship show.

7. The Committee reserves to itself the right to refuse entries.
8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show.
11. **Best in Show:** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and Reserve Best of Sex to the exhibit declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them **nor handle a dog in a manner which causes its feet not to touch the ground when on the move.** This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days:** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it but it must be clearly understood by exhibitors and any other persons that the Committee will not be responsible for the entire or partial loss, or detention of, or damage to any dog or person from any cause whatsoever, nor for any act or omission of themselves, their officers, servants, agents and others, and it is on this understanding only that entries are received.
21. No animal other than a dog duly entered for the Show will be allowed within the precincts of the Show.
22. Should any question arise not provided for in these Regulations the decision of the Committee shall be final subject only to appeal to the Kennel Club.
23. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
24. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and

approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

25. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
26. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
