DOGS ON HOT DAYS IN VEHICLES

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic.

If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

When at the show, never leave your dog in the vehicle.

Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise.

Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

~ OUR JUDGES ~

Julie Joyce (Janjujions)

At the age of 11 years my father bought my first Stafford, Sooty, (Midnight Moll), a black brindle, in 1984. She wasn't what most people called show quality but I loved her with all my heart and instantly fell in love with showing.

In 1986, Sooty had a litter and we kept a black and white pied, Sweep (Frontier Finders Boy). My Nan had his brother Ben (Ridgeway Top Sarjeant), a black brindle. Both dogs had an excellent show career. Ben went on to become Southern Counties SBTS's top dog in 1988, winning six trophies at the annual awards. Sooty also won three trophies that year too. We then bought a lovely red bitch, Susie (Ashstock Oyster Pearl) in 1988 and had loads of fun showing her. In 1991 Susie had a litter and again we kept a dog, a big black brindle called Butch (Janjujions Jumping Jack Flash). He also did very well at the shows and won several trophies at the Staffordshire Bull Terrier Club at their annual awards. Susie also won trophies.

At the age of 16 I joined the committee of the Southern Counties SBTS and by the age of 17 I became Show Manager, following in my father's footsteps. I was also on the committee for Tooting Ringcraft at the same time.

At the tender age of 18 I judged my first show with my father as steward. I was nervous but enjoyed it nonetheless. I had a few years out of the ring as in 1996 I had my only son, but by 2003 I was back doing what I love most.

In 2004, I started to show my father's black brindle bitch Tammy (Gadkeys Just Joan). Anyone who knows her will know that is no easy heat as she is rather fiery.

2006 saw the arrival of Tammy's son Bouncer (Jollyjions Last One Standing). That was not an easy whelp and there were many complications. I took to showing Bouncer and even did some fun shows with him winning Best in Show.

I then got Freya (Dynastaff She's a Devil) in 2012 as a Christmas present from my father. She has, to date, had a fantastic show career and achieved much more than her predecessors.

In between Staffords I have had four rescue dogs, all Stafford crosses, and I still have one now called Sweeney, who is a Stafford cross Basenji. He has done brilliantly at fun shows and won Best in Show at seven months old.

In 2015 I mated Freya with Ch Bullrichs Bismarck at Crossguns and produced two tiger brindles and a mahogany brindle.

I have no colour bias and treat every dog equally when presented under me.
