WEIGHING OF MINIATURE DACHSHUNDS

Health and Welfare Statement

Miniature Dachshunds will be weighed at all of the Miniature Dachshund Club shows. The desired maximum weight of Miniature Dachshunds is 11lb. The committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at the Miniature Dachshund Club events is of the highest importance.

The Animal Welfare Act became law on 6 April 2007. The focus is now on the responsibility of the owner, as seen in the 'Duty of Care'. Those who own a dog are legally responsible for its welfare, otherwise they may be found to be committing a 'Welfare Offence'.

The Committee may take action against any exhibitors who are found to be depriving their dogs of water/ or food in order to meet the desired maximum weight requirement for miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by judges.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and has been declared Best Puppy in Breed, (Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy) A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively. Best Puppy in Show and subsequent placings must be selected from puppies which have been declared Best Puppy in Breed (Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy).
11. **Best in Show:** The dog declared Best in Show must be selected from Best in Breed (Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register). Reserve Best in Show must be selected from the remaining Best of Breed(s) and the dog/bitch declared by the breed judge to be Reserve Best of Breed to the dog declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
