A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. (Definition; Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)
    - 1) Best of Breed Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.

12. Exhibits will not be admitted to Group or Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
  18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
  18. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
  20. All gangways must be kept clear.
  21. Exercising of dogs shall only be in the marked area. The venue must be kept clean at all times. You are required to clean up any fouling by your dog. Any infringement of this regulation will be reported to the Show Secretary who will take such action as is seen fit.
  22. Should a judge be prevented from fulfilling his/her engagement, the Committee reserve the right of appointing another judge or judges in their place.
  23. The Committee is empowered to exclude or remove any dog which is not in a fit state for exhibition, whether from illness, disease, vice, natural or any other cause, and if such exclusion takes place, whether before or after judging, the entry fee will be forfeited.
  24. The Committee will be most anxious for the care and safety of dogs brought for exhibition but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of or damage to any dog or other property, whether arising from accident or any other cause whatever or from any act or omission of themselves, their officers, servants or others, and it is on this understanding only that entries are received.
  25. The Committee cannot accept any responsibility for products advertised or sold by stand holders at the Show and exhibitors are reminded that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for exhibition.
  26. All dogs must be kept on leads for the duration of the Show (KC Rule F(1) 3.52 17c).
  27. No animal other than a dog duly entered at the Show will be allowed within the precincts of the Show except by permission of the Committee.
  28. All dogs must be registered at the Kennel Club. Where a change of ownership of a registered dog has taken place, the transfer must be made at the Kennel Club before the closing date of entries.
  29. The chalking, powdering or spraying (with the exception of water) of exhibits within the precincts of the Show is forbidden.
  30. Entry fees will not be returnable once entries have been made.
  31. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
  32. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the scheduled Judge. This shall not apply to a Judge appointed in an emergency.
  33. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
-
