The Special Awards will be judged during the lunch break and are separate awards from the main show. Therefore, if your dog is beaten in the Special Awards, it is not classed as a beaten dog and is not disqualified from the challenge in the main show.

• JUDGES PROFILES •

Julie Turner (Rockleyan)

I have always admired & taken a great interest in dogs throughout my life, having never lived without one in the house. I have owned Weimaraners, shown them here & handled them abroad, worked & occasionally bred them since 1980, finding them an interesting, challenging breed of great intelligence & ability. I have over the years observed them in the ring & field in the UK, Austria, Holland, Sweden & New Zealand. I take a great interest in their working ability, never tiring of watching their style & technique in pursuit of quarry & feel privileged to be part of the equation when handling my own dogs.

I have had the greatest pleasure of judging the breed for the last thirty one years, including appointments in Holland & Sweden, always looking for an unexaggerated specimen fitting the standard, going on a good, effortless stride & fit & athletic enough to complete a day in the field.

I am a member of NEWS, the WCGB, Weimaraner Association & The Kennel Club & have greatly enjoyed my experiences & lasting friendships made throughout the last 39 years, helping to protect & support our unique grey dogs.

I am honoured to have been invited to judge the breed at NEWS and thank the committee for the invitation.

Taya Allison (Kuantan)

I have owned Weimaraners since 1993. My first, Perry, came from the Shalina kennel where Sue Bradley encouraged me to get involved in activities with my new exuberant puppy. We started training in working trials where he taught me a lot about this special breed. Just 10 months later my foundation bitch, Lady Tansy Grey entered the household and we tried showing with her. Summer won at our first show outing and from then I was addicted. I first judged the breed in 2002. A Weimaraner to me symbolises power and balance, effortless and ground-covering movement all finished with his unique coat colour making him stand out from the crowd. I am very passionate about preserving our very special breed as it was originally created many moons ago.

This is an appointment I am honoured to be judging and am looking forward to it.

DEFINITIONS OF CLASSES

(N.B. The word 'dog' includes both sexes)

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Saturday, 9th March 2019.**

Wins in Variety classes do not count for entry in breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.

15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE ATRISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Any owner, exhibitor, handler or other person in charge of a dog is required to remove immediately any fouling caused by their dog(s) and also any grooming waste at any Kennel Club licenced Show, within the licenced venue and within the environs of that event, including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. The Officers and Committee will not be responsible for the loss, detention of, or damage to any other dog, or other property, whether arising from accident or other cause whatsoever, or from any act of omission of itself, its officers, agents or other, or damage done by the exhibits to any person or property.
22. The Officers and Committee of the North of England Weimaraner Society do not accept responsibility for any products or services advertised or sold at this show.
23. If any judge is unable to fulfil an engagement, the Committee reserve the right to appoint a replacement. In these circumstances, exhibitors may withdraw from competition but no entry fee will be returned.
24. If any exhibitor presents an incorrectly completed or dishonoured cheque in respect of show entries, the incurred bank charges and any handling fees will be passed in to the exhibitor concerned.
