 9. The mating of bitches within the precincts of the Show is forbidden.
 10. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and is unbeaten by any other puppy exhibited at the same show. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Where the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
 11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex but only if they have received a first prize in a class at the same show. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show.
 12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11..
 14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
 15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
 16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in dog exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default,

omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club Registered. Puppies aged between 4 - 6 months may be entered Not for Competition, full details to be given in the entry form. Please do not bring unentered/under 4 month old puppies to the show.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it, but it must be clearly understood by exhibitors and other persons that the committee will not be responsible for the entire loss or partial loss, or detention of, or damage to any person for any cause whatsoever, nor for any act of omission of themselves, their officers, servants, agents or others and it is on this understanding that entries are received.
21. The committee of the show can accept no responsibility for products advertised or sold by stand holders at the Show and remind exhibitors that grooming products on sale may not meet the requirements of the Regulation for the Preparation of Dogs for Exhibition (K.C.S.R. (F)).

• DEFINITIONS OF CLASSES •

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Monday, 31st December 2018**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

 - b) For an exhibit entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under twelve calendar months of age, eighteen calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.
 - c) For any reason other than the above, the Show Secretary shall transfer it to the Open Class for the correct colour, sex, weight or height.
 - d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

ADVISORY NOTICE

NOT FOR COMPETITION Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

PLEASE NOTE

The Board of the Kennel Club has approved by recommendation which requires exhibitors to display the exhibition/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

At benched shows, soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate must be securely attached to the bench.

DOG FOULING

You will all be aware of the KC Rules regarding fouling. Please exercise your dogs before arriving at the venue. The venue is in private grounds so the only fouling there, will be from your dogs. Please use the designated area only. There will be plenty of receptacles to clear up.

PLEASE DO NOT LET US DOWN! Any person not adhering to this request will be reported to the Committee and action may be taken.

ATTRACTION OF EXHIBITS

KENNEL CLUB REGULATION F(I) 17H

The attracting of the attention of exhibits by any method outside the ring is prohibited. It is the duty of the Judge, Steward or Show Management noticing such attention to ask that it cease.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and **AT RISK** if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
