8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and has been declared Best Puppy in Breed, Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show must follow the selection of Best of Breed, Best in Group and Best in Show respectively. Best Puppy in Group and subsequent Group placings must be selected from:-
  - a) Those puppies declared Best Puppy in Breed.
  - b) The puppy declared Best Puppy from the Any Variety Not Separately Classified classes in each group or on each day.
  - c) The puppy declared Best Puppy from the Any Variety Imported Breed Register classes in each group or on each day.Best Puppy in Show must be selected from the Best Puppy in Group winners.
11. **Best in Show:** The dog declared Best in Show is a dog which has competed and has been declared Best of Breed, Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register.
  - a. *Shows Judged on the Group System* (Definition: Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show).
    - 1) *Best of Breed:* Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.
    - 2) *Best of Group:* Best of group and subsequent placings must be selected from:-
      - a) The Best of Breed winners in each group.
      - b) The Best dog from the Any Variety Not Separately Classified classes in each group or on each day.
      - c) The Best dog from Any Variety Imported Breed Register classes in each Group or on each day.
    - 3) *Best in Show:* Best in Show must be selected from the Best of Group winners. Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.**

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee of this show cannot be held responsible for products advertised or sold by stand holders at the show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
21. Parents/Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs of the show.
22. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
23. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
24. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.
25. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.

### **Use of Electrical Equipment at Shows:**

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

### **Security at shows:**

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

### **Additional Rules and Regulations:**

- i. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
- ii. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
- iii. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
- iv. An announcement prior to the date of closing of entries in Our Dogs of any alteration of addition made by the Committee to the schedule or in these Regulation shall be sufficient notice thereof.
- v. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.

### **Additional Guidance on F Regulation Amendments:**

Regulations now stipulate that competition in AV/Stakes classes has no bearing on the main Breed competition at a show and it is therefore acceptable for beaten dogs to be eligible to challenge in Best Puppy in Group, Best in Group, Best Puppy in Show and Best in Show

Eligibility for Best Puppy in Group at Open Shows is now the same as General and Group Championship Shows, Only dogs declared Best Puppy in Breed and Best Any Variety Not Separately Classified Puppy are eligible to compete in the Group and subsequently Best Puppy in Show. This applies to shows judged on the Group system and not judged on the Group system.

The attention of Open Show Societies is drawn to the fact that Best Puppy in Breed should be declared from the Breed classification, even if puppy classes are not scheduled.

The regulation preventing Best Puppy in show from competing in subsequent competition has been made redundant.

Dogs declared Best in Show and Reserve Best in Show do not need to be withdrawn from subsequent competition.

Imported Breed Register dogs will still only be eligible to compete in the Import Register class or classes with the exception of the winning dog or dogs (where classes are scheduled on each day of a show) being eligible for the Group and/or Best in Show Competitions.
