## HANDLING CLASSES

**To be judged in the first available ring - not before 12.00 noon**

### YKC MEMBERS' HANDLING

*Judge: Min Witheyman*

- A. 6 - 11 Years    B. 12 - 17 Years  
C. 18 - 24 Years

Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2020. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. All points are reset to 0 on 1st January each year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Before competing, please view a full list of the YKC competition rules at: [www.ykc.org.uk/](http://www.ykc.org.uk/) and follow the compete tab. 16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.
- Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

The owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
21. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.
22. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.
23. Please do not obstruct gangways with cages, pens, grooming tables, trolleys and dogs. Storage space will be made available for trolleys/cages.

No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.

This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

#### **ADVISORY NOTICE**

**NOT FOR COMPETITION** Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

### **USE OF ELECTRICAL EQUIPMENT AT SHOWS**

The Kennel Club have become increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers, hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power sockets so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of selfish behaviour.

### **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
