Introducing your Judge: Mrs Jenny Hick (Laxon)

I got my first Old English Sheepdog in 1971. She was purchased as a pet from a Mrs Sharman, who I found out much later as a sister of Mrs Ashcroft of the famous "Barnolby" kennels. Halsall Heatherbelle made the long journey, unaccompanied, in a hamper, by train from Lancashire to Cornwall. She was a large bitch, too big for the show ring, but her character endeared me to the breed and I was "hooked".

My family owned and showed Greyhounds. My Great Grandfather was well known in the breed, founding the "Butcher" Greyhounds. The Kennel Club stopped shows in 1917 and banned breeding. My Great Grandfather managed to keep his bloodlines and bred one of the most successful Greyhounds shown after WW1, Ch Fascinating Ways. I was brought up with dogs and my family have owned many breeds a Golden Retriever, a Chow Chow, an Airedale, a Welsh Terrier, a

Border Terrier, a German Shepherd and a few cross breeds. I showed my Old English Sheepdogs in the 1970s and 1980s. This was a time when it was not unusual to see more dogs in a class than are now seen at an OES Show. I had some success to RCC level with Pockethall Silver Squire & Dervance Des Diego of Lanxon and three dogs in the KC Stud Book. I bred a Champion, Ch. Lanxon Charlie Boy of Hibray, owned by Pat Bradley. My bitch had been mated to Pat's much loved Tommy - Ch. Hibray Rock on Tommy.

I was the Secretary of the Devon & Cornwall OES Club (an unregistered club). The club had over 80 members, mainly pet owners, and we held fun events for several years. I thought I would like to judge and studied a diploma course with David Cavill's Canine Studies Institute gaining a Credit pass. I judged Old English Sheepdog at Bath Championship Show - no CCs. However, I had to take a break in showing for several years, due to work commitments, being a Court Manager in a local Court. Throughout these years I still attended Champ Shows & Crufts every year, so kept in touch with the breed.

I have owned as many as seven OES, at a time, and from 1971, I have always owned two or more OESs. I feel lucky to have known some of the "Greats" in our breed. I have known their dogs and visited their kennels. Amongst these were Jimmy Rickard (a good friend), Jean Gould, Florence Tilley, Gwen Mogford, and Vic & Pat Guest: all no longer with us. I have seen some great dogs in the ring, including Ch. Pendlefold Prince Hal & Ch. Aberfells Georgie Porgey - breed record holders in their time.

For several years, I have been the Secretary of the Canine Section of the Royal Cornwall Show, Cornwall's county show. It is a large three day show attracting an entry of over 750 dogs.

I'm delighted and honoured to have been invited to judge at the South Eastern OES Club and I am looking forward to my appointment.

16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Right to refuse entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.
21. Should the Judge be prevented from fulfilling their engagement the committee reserve to themselves the right of appointing another judge to fulfill their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be returned.
22. Exhibitors are held responsible for any loss or damage done by their dogs whilst within the precincts of the showground. The Society will not be responsible for accidents to persons or dogs at the Show.
23. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
24. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. USE OF ELECTRICAL EQUIPMENT AT SHOWS

The Kennel Club have become increasingly concerned at the amount of electrical equipmen being used by exhibitors at shows, including hair dryers, hair straighteners and other grooming devises.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
