

## **SOME GUIDANCE FOR PROSPECTIVE EXHIBITORS**

The Officers and Committee have worked exceptionally hard in an attempt to ensure that this show meets all current COVID restrictions, allowing our exhibitors to have a safe and enjoyable day. The restrictions placed on us mean that the show will be different from our usual show and you need to be aware of these differences when making a decision on whether to enter.

1. The show will be an INDOOR/OUTDOOR event. The ring will be outside, but judging will take place under our two large event gazebos. The Hall will be used for shelter and dog crates on a first come, first served basis (max. 15 people seated). No chairs will be available so bring your own. The toilets will of course be open.
2. The kitchen will not be available so please bring your own food and drink.
3. There will be no club trade stand or raffle.
4. No trophies or cups will be awarded but you can of course return any won at a previous show.
5. As there will be limited accommodation; we suggest that those attending are limited to exhibitors and perhaps one helper/partner.
6. SHOW ENTRIES WILL BE ACCEPTED ON-LINE AT FOSSE DATA ONLY.
7. Without sales from the kitchen, club stand and the raffle, this show could be loss making. Our only income will come from entries so PLEASE ENTER AS MANY DOGS AND CLASSES AS YOU CAN.
8. All the familiar rules around HANDS-FACE-SPACE must be adhered to and committee members will be monitoring these and the specific requirements of our Risk Assessment throughout the day; please co-operate with any requests they make in the interest of the safety of us all.

AND FINALLY.....we really hope you will enter the show and be assured you will receive a warm welcome.
