13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee of this Show cannot be held responsible for products advertised or sold by standholders at the Show, and remind exhibitors that such products may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.
21. Any owner, exhibitor, handler or other person in charge of a dog is requested to remove as soon as possible any loose hair from their dogs or fouling caused by their dog(s) at any Kennel Club licensed event within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such loose hair and fouling will be provided.
22. Parents/Guardians please note, well behaved children are welcome but those in charge of children will be held fully responsible for their actions and any damage caused within the environs of the show.
23. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
24. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been registered or recorded as having been bred by the selected judge. This shall not apply to a judge appointed in an emergency.
25. Soft Crates: The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.
26. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number, as provided by the show society, must not be used for this purpose.
27. Entry fees will not be refunded in any circumstances where any act of God or any other unforeseen reason causes cancellation or abandonment of the show, after entries have closed.

• DEFINITIONS OF CLASSES •

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club. Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows. In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Thursday, 12th October 2017**. Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A First Prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

(1) *Withdrawal*

The dog may be withdrawn from competition subject to the conditions of Regulation 20.

(2) *Transfer*

- b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct breed, colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

YKC MEMBERS' HANDLING CLASSES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into an YKC qualifying class. Classes for handling are decided by the handler's age. The classes are divided into three age groups: 6-11 years (6 years and up to, but not including 12th birthday); 12-17 years (12 years and up to, but not including 18th birthday); 18-24 years (18 years and up to, but not including 25th birthday). Please enter the class age category you will be on the day of the qualifier. If you should move into the next age range after you have already qualified, the YKC will invite you into the correct age group at Crufts. The method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. Members will receive points per group (i.e. if they handle a Bloodhound, they will get points towards the Hound group). If a member gets 30 points in any one group, they will qualify to enter a dog from that group at Crufts 2019. If a member gains 30 or more points in multiple groups, they may only compete with one dog at Crufts, but they will have the option to choose from any of the groups they have 30 or more points in. All points are reset to 0 on 1st January each year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the compete tab.
