USE OF ELECTRICAL EQUIPMENT AT SHOWS: The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

SECURITY AT SHOWS: In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

Owners of these dogs must attend the Secretary's office to complete the entry form.**

YKC MEMBERS' STAKES Only dogs of six (6) calendar months of age and over on the day of competition are eligible for entry into a YKC qualifying stakes class. Dogs must be on the Kennel Club Breed register to compete in a YKC stakes competition. The YKC method for Crufts qualification is a points based system as follows: 1st Place = 30 points; 2nd Place = 15 points; 3rd Place = 10 points. If a member and dog combination accumulate 30 points or more, they will qualify for Crufts. Points will be allocated for the Dog and Handler pairing. All points are reset to 0 on 1st February each year. All pedigree dogs are eligible to take part provided the dog is registered on the Kennel Club Breed Register. The dog must be registered; a. Solely or jointly in the member's name or b. In the name of a close member of the family (i.e a group of people related by blood or marriage)

and under these circumstances the dog must be resident at the YKC member's address. No substitute handlers are permitted - the dog must be handled by the registered YKC member. Members are not permitted to allow another individual to show their dog at the qualifier on their behalf if they are not able to attend the class, unless agreed by the YKC Office prior to the show. Members must be aged 6 -24 years (members 6 years and up to, but not including 25th birthday). Please note that membership of the YKC terminates on a members 25th birthday. Please keep this in mind when entering qualifiers throughout the competing year. In order to enter any YKC competition, you must be a fully paid up member at the time of entry and competition. If you enter a Crufts qualifier and you have not previously paid your membership fee then any award will be forfeited. Therefore it is important to renew and maintain YKC membership as current if you wish to participate in YKC competitions. Before competing, please view a full list of the YKC competition rules at: www.ykc.org.uk/ and follow the compete tab.

ADVISORY NOTICE

NOT FOR COMPETITION Societies may at their discretion, accept Not for Competition entries. Societies may accept such entries from breeds of dog not included within the title of the Society and at Shows held over more than one day, such entries may be accepted on any day from any breed.

IMPORTANT INFORMATION REGARDING BENCHING & IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit/bench number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.

At benched shows soft crates may only be put on benches if they are the appropriate size for both the dog and the bench, and the crate can be securely attached to the bench.

Both of these points have been introduced with the safety of all in mind, but most importantly that of the dog, and to minimise potential incidents and injuries.

The Kennel Club would also take this opportunity to remind exhibitors that Show Regulation F(1).17 requires that dogs should be present on their benches at all times except when being judged, prepared for exhibition or exercised.
