8. Puppies under six calendar months of age on the first day of the Show are not eligible for exhibition.
9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and has been declared Best Puppy in Breed, (Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy). A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed and Best Puppy in Show must follow the selection of Best of Breed and Best in Show respectively.
11. **Best in Show** The dog declared Best in Show must be selected from Best of Breed, (Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy). Reserve Best in Show must be selected from the remaining Best of Breed(s) and the dog/bitch declared by the breed judge to be Reserve Best of Breed to the dog declared Best in Show.
12. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs entered outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars,

is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show

18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. Should any question or matter arise not provided for in these Regulations, the decision of the Committee shall be final, subject only to appeal to the Kennel Club.
21. Should any judge be unable to fulfil their appointment, the Committee reserve to themselves the right to appoint another in their place. Exhibitors may withdraw from competition but no entry fees can be refunded.
22. The Committee will be empowered to exclude or remove any dog which is not in a fit state for exhibition, either from illness, disease, vice, natural or other causes, and if such exclusion takes place either before or after judging the entry fee will be forfeited.
23. The Committee will not be responsible for claims for injury or compensation occasioned by or arising from the holding of the Show or reason of act or default of any person.
24. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it, but it must be clearly understood by exhibitors and any other persons that the Committee will not be responsible for the entire or partial loss, or detention of, or damage to any dog or person for any cause whatsoever, nor for any act of omission of themselves, their officers, servants, agents and others, and it is on this understanding only that entries are received.
25. No animal other than a Dachshund duly entered at the Show, will be allowed within the precincts of the Show during its continuance except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the Board.
26. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
27. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
28. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
29. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

HEALTH & SAFETY POLICY STATEMENT

Health & Safety Officer: Mr T. Rees

It is the policy of the Officers and Committee of the West of England Dachshund Association to provide a safe and secure area for exhibitors to show their dogs.

The Officers and Committee understand that they have a responsibility for people attending events they host whether as exhibitors/competitors or as spectators. Equally, as organisers of events the Officers and Committee understand they have a further responsibility for the safety of dogs participating in events.

The Officers and Committee understand that there is a legal requirement that persons involved in the control of events attended by the public shall take all reasonable practical measures to minimise any risk and to maintain the health and welfare of persons attending such events.

SHOW NOTICES

***NOT FOR COMPETITION.** Anyone wishing to attend the show is welcome to bring their Dachshund provided it has been entered 'Not for Competition' using the normal entry form. This also applies to puppies aged between 4 and 6 calendar months on the day of the show. Simply supply as much detail about the dog as possible (name and date of birth is essential) on the entry form and put NFC in the column marked 'classes'. ANY DOG NOT ENTERED IN THIS WAY MAY NOT BE TAKEN INTO THE SHOW AREA

WEIGHING OF MINIATURE DACHSHUNDS

Health Co-ordinator: Dr. Roger Sainsbury MRCVS

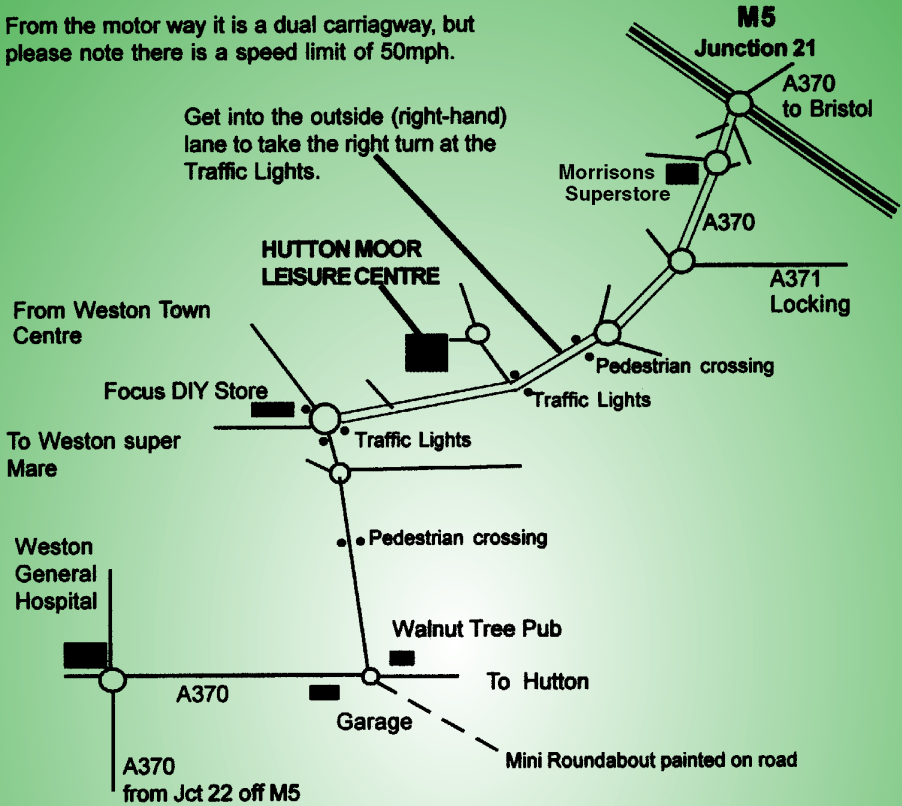

The desired maximum weight standard is 11lb/5kg max. WEDA committee wish to make it clear that the standard must not be sought if it is not in the best interests of the health and welfare of the dog. Animal Welfare Act 2007 The animal Welfare Act became law on 6th April 2007. The focus is on the responsibility of the owner, as seen in the 'Duty of Care' dog owners are legally responsible for their welfare. The committee may take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired minimum weight requirements for Miniatures in the Breed Standard. Exhibits which appear thin and undernourished should be seriously penalised by judges.

EXERCISE AREA

The sports fields at Hutton Moor are **NOT** a giant exercise area. Please use the designated EXERCISE AREA, and clear up any fouling immediately. (Polythene bags provided).

DIRECTIONS Diagrammatic and not to scale

From the motor way it is a dual carriageway, but please note there is a speed limit of 50mph.

DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.
