# DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. **Saturday, 10th August 2019**.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

(1) *Withdrawal*

The dog may be withdrawn from competition subject to the conditions of Regulations 20.

(2) *Transfer*

- b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class, which is over age but under twelve calendar months of age, eighteen calendar months of age or twenty four calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling class to the Open class for the correct breed, colour, sex, weight or height.
- c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.
- d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

Where the Best of Breed or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed and Best Puppy in Show respectively. Where the Reserve Best of Breed or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed and Best Puppy in Show respectively. 13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. 14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead

to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
20. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.
21. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
22. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
23. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.

27. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.
28. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)
29. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.
30. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

### **SECURITY AT SHOWS**

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.
