CLUB INFORMATION

Yeovil & District Canine Society has been established for over 75 years, and is very well supported locally. We run Ringcraft classes each Wednesday evening at Kingsdon Village Hall, Nr Somerton where we aim to assist new and experienced exhibitors to get the best out of their dogs in the show ring. We have access to specialist trainers for anyone having particular problems with their dog.

As a registered Society we are able to offer Good Citizen Training Scheme training classes. These courses are available to all. Our trainers are obedience/agility specialists and they will guide you through the Bronze, Silver and Gold awards.

The Club also runs seminars and has successfully organised KC seminars in the past year. Seminars are advertised on the Club Website and Facebook Group. If you would like to suggest a seminar you think other exhibitors will enjoy please contact us.

We run 2 shows a year. Our annual PREMIER OPEN SHOW was for the first time held with Yeovil Show in 2017 and we are delighted that this is now set to continue into the future. Our Limited Show is in December and is held at Keinton Mandeville Village Hall and this is an ideal show for new exhibitors and judges to gain experience.

We welcome feedback from exhibitors to our shows

Please feel free to contact our Secretary, Jacky Ash,
for further details of shows/events/training
01460 281528 or email: hillcloudwesties@gmail.com

Our website is updated regularly, so please visit

Members please let us know your show successes and news. Contact Jacky or Bethany who will add them to the website and our Facebook page.

The Club is run by an enthusiastic Committee from a number of different backgrounds. If you have been a member for over a year, and would like to help with running of the Club please speak to Jacky our Secretary.

9. The mating of bitches within the precincts of the Show is forbidden.
10. **Best Puppy in Show:** Where a Best Puppy in Show competition is scheduled the Best Puppy in Show is a puppy which has competed and has been declared Best Puppy in Breed, Best Any Variety Not Separately Classified Puppy or Best Any Variety Imported Breed Register Puppy. A puppy is a dog of six and not exceeding twelve calendar months of age on the first day of the Show. Where the Best of Breed, Best in Group or Best in Show is a puppy it should automatically be awarded Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Where the Reserve Best of Breed, Reserve Best of Group or Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show respectively. Consequently, selection of Best Puppy in Breed, Best Puppy in Group and Best Puppy in Show must follow the selection of Best of Breed, Best in Group and Best in Show respectively.
 - Best Puppy in Group and subsequent Group placings must be selected from:
 - a. Those puppies declared Best Puppy in Breed.
 - b. The puppy declared Best Puppy from the Any Variety Not Separately Classified classes in each group or on each day.
 - c. The puppy declared Best Puppy from the Any Variety Imported Breed Register classes in each group or on each day.
 - Best Puppy in Show must be selected from the Best Puppy in Group winners.
11. **Best in Show:** The dog declared Best in Show is a dog which has competed and has been declared Best of Breed, Best Any Variety Not Separately Classified or Best Any Variety Imported Breed Register.
 - a. *Shows Judged on the Group System* (Definition: Shows judged on the Group System includes classes for breeds within more than one group, as defined in Kennel Club Regulation B(A); and require a judge to declare a best of each group after which the exhibits so declared will compete for the award of Best in Show and Reserve Best in Show.)
 - 1) *Best of Breed:* Where a breed is separately classified a Best of Breed may be declared but only from those dogs which have received a first prize in a breed class at the show. Where separate classes are provided for each sex of a breed a Best of each Sex must be declared.
 - 2) *Best of Group:* Best of group and subsequent placings must be selected from:
 - a) The Best of Breed winners in each group.
 - b) The best dog from the Any Variety Not Separately Classified classes in each group or on each day.
 - c) The Best dog from Any Variety Imported Breed Register classes in each Group or on each day.
 - 3) *Best in Show:* Best in Show must be selected from the Best of Group winners. Reserve Best in Show must be selected from the remaining Group winners following the selection for Best in Show.
 - b. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with the special permission of the Show Management.
13. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulation F11.
14. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) Regulations for the Preparation of Dogs for Exhibition.
15. All dogs resident outside of the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
16. **Dogs in Vehicles on Hot Days.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Your dog is vulnerable

and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

17. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
18. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
19. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches.
20. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
21. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
22. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

 - c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

PHOTOGRAPHY AND VIDEO RIGHTS — The Organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or other form of recording may be taken or made at the venue without express written permission of the Organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except with the written permission of the Organisers. Press accredited photographers are provided with permission to take photographs ONLY for use in newspapers, magazines and internet sites – this is for news purposes only. There is no objection to the general public taking photographs of general views of the Show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted in breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the Challenge Certificate is awarded. Filming and flash photography is allowed from outside the ring at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash unit is used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.

PLEASE CLEAN UP AFTER YOUR DOG

An exercise area is provided so please use it. Failure to clean up after your dog could result in a fine and you being reported to the Kennel Club.

IMPORTANT INFORMATION REGARDING IDENTIFICATION OF DOGS

It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times. This is particularly important when cages etc. are not on benches, and at unbenched shows.

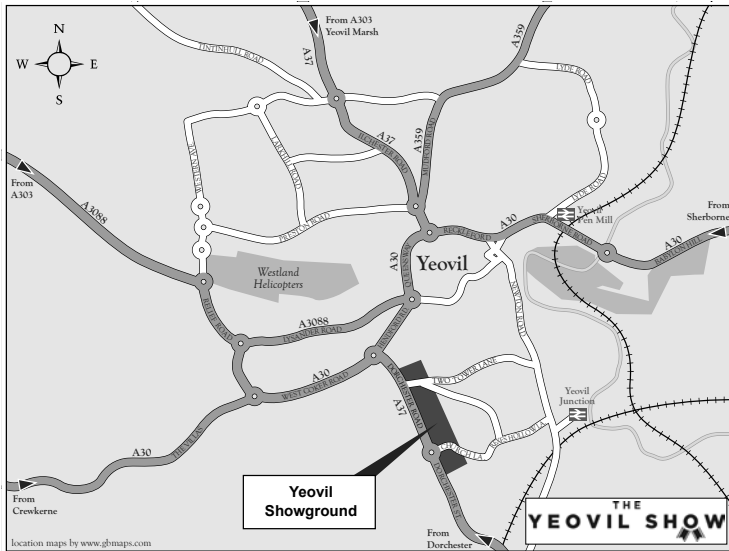

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or where the crate might be blocking a gangway.
